

Saint John Academy's Annual Fund

is an opportunity to make a long-term investment in the school, allowing Saint John Academy to support and maintain its tradition of value-based and value-added education. Gifts to the Annual Fund directly impact each current student, ensuring a quality Catholic education and providing for the needs of our students both now and into the future.

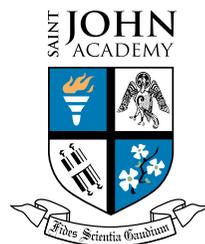

Catholic education aims not only to communicate facts but also to transmit a coherent, comprehensive vision of life, in the conviction that the truths contained in that vision liberate students in the most profound meaning of human freedom.

2016 • ANNUAL FUND • 2017

Why an Annual Fund?

An Annual Fund enables Saint John Academy to:

- Make facility upgrades, improvements and enhancements such as new middle school lockers and new desks and chairs for the lower school.
- Provide tuition assistance to families who otherwise would be unable to afford the SJA experience of spiritual and academic growth. During these challenging economic times, the need for tuition assistance has increased.
- Provide funds for the ongoing development of our Fine Arts Program, including our one-of-a-kind Drama Program and the production of our middle school musical.

What is the difference between an Annual Fund and funds raised by the PTO?

Money raised by the PTO goes toward specific current needs, including class field trips, room parent supplies, iPads, the Back to School BBQ, playground equipment, musical instruments and Battle of the Books materials. Annual Fund contributions are a long-term investment in the school's facility, programs, and students (scholarships). Unrestricted gifts to the Annual Fund provide maximum flexibility to apply funds to the areas where they are needed most.

A good school provides a rounded education for the whole person. And a good Catholic school, over and above this, should help all its students to become saints.

Pope Benedict XVI
