Dear Parents,

As the beginning of the 2020-2021 school year draws closer, our schools continue to work diligently to prepare for the return of students, whether it be for full-time in-person learning, or via hybrid models that include in-person and eLearning components. I am extremely proud of and grateful for the leadership of our principals and the dedication to students demonstrated by our professional educators. The hours and hours of planning that have gone into the development of learning models that place safety at the forefront, but also allow for in-person learning that is so essential to the social, emotional, and spiritual development of our Catholic school students, has been remarkable.

Notwithstanding the significant focus on COVID-19 mitigation strategies in our schools, it is not possible to provide an absolute guarantee that no COVID-19 related risk exists. Accordingly, the attached liability waiver is your acknowledgment that agreeing to your child's return to in-person instruction comes with the risks associated with potential exposure to the COVID-19 virus. The language of this waiver is very similar to others you may have signed this summer related to your child's participation in camp or other summer recreation activities.

You will note as well that your signature on the waiver represents your agreement to conduct daily health screenings using the checklist provided in the waiver. Mitigation efforts for schools rely importantly on the commitment of parents and guardians to this prudent daily action. Please know that all personnel who work in our schools are bound by the obligation to conduct the same screening daily.

I am very mindful of how challenging the recent months have been for parents and educators alike. As we move forward into the school year with the same sense of community that has animated Catholic education in this country for more than 150 years, I thank you for being part of your school community here in the Diocese of Arlington and for your particular commitment to school safety in the coming year.

Sincerely in Christ,

Joseph E. Vorbach III, PhD, MEd  
Superintendent of Schools

**Assumption of Risk**

The novel coronavirus, COVID-19, has been declared a worldwide pandemic and is contagious. As a result, in order to resume in-person schooling, the Catholic Diocese of Arlington has established essential health and safety measures at the Catholic school named above ("School"). The School has put in place reasonable preventative measures and standards of behavior, consistent with guidelines issued by the Centers for Disease Control and Prevention ("CDC") and state and local public health guidance, to reduce the spread of COVID-19 in School activities. Even with implementation of health and safety protocols, however, the Diocese and School cannot guarantee that you or your child(ren) will not become infected with COVID-19, and participation in School activities could increase your risk and/or your child(ren)'s risk of contracting COVID-19. Any interaction with others includes possible exposure to, and illness from, communicable diseases including COVID-19 and influenza.

I understand that my family has choices for completing schooling at home, or in another manner. By returning my child(ren) to in-person schooling, I give my informed consent for me or my child(ren) to participate and assume responsibility for the above-noted risks.

I willingly agree that my child(ren) and/or I will comply with the health and safety protocols established by the School, and will take all reasonable and necessary additional precautions to protect against communicable diseases while on School premises, not only for our own benefit but for the benefit of others with whom we may come into contact. We agree that, if we observe any objects, practices or procedures we believe to be hazardous while on School premises, we will remove ourselves from the location of such hazard and bring it to the attention of School administration immediately.

**Liability Waiver**

By signing this agreement, I acknowledge the contagious nature of COVID-19 and that my child(ren) and/or I may be exposed to or infected by COVID-19 by participating in in-person school activities, and that such exposure or infection may result in personal injury, illness, permanent disability, and/or death. I understand that the risk of becoming exposed to or infected by COVID-19 at the above-named School may result from the actions, omissions, or negligence of myself, my child(ren) or others, including, but not limited to Diocesan or School administrators, employees, volunteers, and other students/program participants and their families.

I further agree on behalf of myself and/or my child(ren) named herein, and our respective heirs, successors, and assigns, to fully and forever release, defend, indemnify, and hold harmless the Catholic Diocese of Arlington, the named School, their clergy, administrators, employees, agents, members and volunteers ("Indemnitees") from any and all claims, damages, demands, and causes of action, present or future, known or unknown, anticipated or unanticipated, in any way related to exposure to COVID-19 while participating in School activities, including but not limited to any claims of negligent exposure. This includes claims that arise from my own and others' acts, actions, activities and/or omissions, excepting only those which arise solely from the gross negligence, recklessness or intentional torts of Indemnitees. I will defend and indemnify Indemnitees with respect to any released claim, including but not limited to damages, costs and attorney's fees.

### **Responsibility for Health Screening**

I understand that on any day when anyone in our household answers YES to any of the required health screening questions above, I and/or my child(ren) are not permitted to participate in in-person School activities.

### **Need to Inform and Quarantine**

I further understand, in the event that I/my child is suspected or confirmed positive with COVID-19 or has come in close contact with a person suspected or confirmed positive with COVID-19, I/my child will need to follow the CDC's guidance for isolation or quarantine as appropriate. Information is available at [www.cdc.gov](http://www.cdc.gov). I agree to inform the School administration as soon as possible, but no later than 1 business day, after learning of my/my child's suspected or confirmed positive case of COVID-19 and/or the need to quarantine due to close contact with a person suspected or confirmed positive for COVID-19.

By execution of this Agreement, I understand and agree to the foregoing terms and conditions.
